Ladies, It's that time of year again for our "Ladies Rifle Frolic" Last year was a great success Thanks to you ladies.

Once again we will go by NMLRA rules.

Of course there will be no inline or scoped rifles at this event.

You will find a few changes to make it easier for All. Plus two new events. These two new events Will be tried this year. If the participation is weak, Next year it will be out.

You may come Friday night and stay over, or come Saturday morning. Registration will be on Friday afternoon from 2pm to 4pm. Saturday from 8am until 10am. Pre-registration is encouraged. So if you don't want all the hassle of registration when you arrive, just pre-register with me, & all you will have to do is pick up your packet & targets at the Registration window. Registration will be \$10 for the week-end, plus \$5 if you plan on using Electric during your stay.

Both Saturday & Sunday morning there will be free coffee & rolls at the club house for those interested. Otherwise it is do it yourself at your camper or one of the several restaurant's around the club.

Lunch will be served at the club house this year From 12pm to 1pm.

Saturday evening we will have our Annual Potluck. Meat will be furnished by club. So don't forget your dish to pass that will make a meal complete. No charge for dinner.

After dinner we will have a style show of traditional

muzzle loading cloths worn during that time of history. If you have a outfit, feel free to bring it and take part so all new people can see how we do it. Afterwards will be free time until 11:00pm - Quiet in the camp.

To be eligible for the over-all trophy, one must shoot either the percussion or flint agg. + Novelty +Bench / Xstick + the one and only 100yd target.
